

Chapter 21 Signs

- 21.01 **Purpose:** The multiple purposes of this section are to: regulate and control all signs placed for exterior observation; coordinate the type, placement, and physical dimensions of signs; encourage the reasonable, orderly, and effective display of signs; enhance the physical appearance of the Village; protect property values; prevent visual clutter; and, authorize the use of signs which are compatible with their surroundings.
- 21.02 **Government signs excluded:** Signs which are erected and maintained as a result of any law, order, or government regulation, including traffic control signs, shall not be subject to the requirements of this ordinance.
- 21.03 **General Provisions:**
- A. **Compliance:** No sign shall be erected, displayed, relocated or altered unless it is in full compliance with the regulations for the District in which it is located, and, meets all applicable provisions and regulations of this ordinance.
 - B. **Sign Permit:** Unless otherwise specified, an application for a sign permit shall be filed and approved by the Zoning Inspector prior to the placement of any and all signs.
 - C. **Enforcement:** The Zoning Inspector shall have the duty and authority to remove, or cause to be removed, any sign which is not in full compliance with the requirements of this ordinance. In such instances, the owner of the sign in violation shall bear the full costs of such removal, along with any penalty which has been assessed.
 - D. **Maintenance:** All signs and component parts thereof, as well as braces, cables, poles, uprights, and other supporting structures, shall be maintained in a safe, clean, and attractive condition.
 - E. **Code Standards:** All signs shall be designed and constructed to be in conformance with both the National Electric Code and the Ohio Basic Building Code.
 - F. **Nonconforming Signs:** Signs which legally existed prior to the enactment of these regulations are entitled to be kept, repaired, or replaced in a manner which maintains their preexisting nonconforming condition. However, whenever a nonconforming sign has been damaged to more than one half of its replacement value, it shall not be permitted to be repaired or replaced. In addition, any nonconforming sign which has been structurally altered, relocated, or replaced shall immediately be made to conform to the provisions of these regulations. It shall be the responsibility of the Village of Maineville Zoning Department to register and keep records of all non-conforming signs, and advise the owners of such signs of their being classified as non-conforming. Whenever a sign loses its non-conforming designation, the sign, including the base and all supports must be removed.
 - G. **Traffic Hazards:** No sign shall be erected within the public right-of-way in such a manner which obstructs free and clear vision, or, at any location where by reason of position, shape, motion, or color it may interfere with, obstruct the view of, or be confused with any traffic sign, signal, or device which makes use of the words "stop," "look," "danger," or, misleads and/or confuses traffic. See Table 21.2, Clear View Area.

Signs

- H. **Illuminated Signs.** Illuminated signs shall be designed and constructed so as to concentrate the illumination upon the sign and prevent glare upon any street or adjacent property and prevent traffic hazards. At no time shall blinking lights be permitted.
 - I. **Sanitation/Landscaping:** Property surrounding any freestanding pole/pylon sign shall be kept clean, sanitary and free from obnoxious and offensive weeds, debris, rubbish, and flammable materials. All plant materials and other landscaping surrounding a freestanding pole/pylon shall be maintained in a regular basis, including pruning, mowing, watering, fertilizing and replacement of dead or diseased materials.
 - J. **Identification Mark:** Signs must carry the identification and address of the sign installer, which includes voltage and date of erection. In the event the sign is replaced, the new erector must place their identification mark and date on the sign.
 - K. **Dangerous Signs:** Should any sign be abandoned, found unsafe, or be in danger of falling, the owner of such signing shall, upon receipt of written notice from the Zoning Inspector, proceed within 21 days from the date of notification to do one of the following: remove said sign, cause it to be repaired, or, have it replaced.
 - L. **Window Treatments/Lighting:** All window lighting shall be in a uniform color, installed internally and must have approval by the Village of Maineville Zoning Department.
- 21.04 **Measurement of sign area:** The entire area within the outermost perimeter on which written or graphic information is displayed shall constitute sign area. Where double faced signs exist, each sign face shall be included when computing allowable sign area. Frames and structural members, unless used for advertising purposes, shall be excluded from the computation of surface area. If the sign is of a cylindrical nature, the area shall be computed by multiplying the sign diameter by its height. Awning/Canopy signs shall not exceed fifty percent (50%) of the gross surface area of the smallest face of the awning. Advertisement on any awning/canopy sign shall be limited to the name of the owner and/or business conducted on the premises.
- 21.05 **Relocating signs:** If any legally permitted sign is moved from one location to another, a new sign permit shall first be obtained. A new sign permit will not be required when relocation of the sign is necessary for certain public road improvements.
- 21.06 **Alteration or enlargement of signs:** Alteration, face change or enlargement of any legally existing sign shall first require the issuance of a new sign permit. A new permit will not be required for ordinary servicing or repainting of an existing sign, cleaning of the sign or changing of the message on the sign, such as fuel prices.
- 21.07 **Prohibited Sign Locations:** Unless otherwise permitted, signs shall not be located in or project into any right-of-way. In addition, no person shall fasten, place, paint, or attach any sign, handbill, advertisement, poster, or notice of any kind, whether political or otherwise, or cause the same to be located on any curb, lamp post, utility pole, trash receptacle, bench, fire hydrant, or bus shelter.
- 21.08 **Prohibited Signs:**
- A. Signs placed on vehicles and trailers which are parked or located for the primary purpose of either supplementing or replacing on site signage shall be prohibited. This prohibition shall not, however, apply to either signing or lettering which is affixed, attached, or painted onto
